### BIG CROWD AT THE ISLAND

Blackfoot and Pirate Chief Were the Only Winning Favorites.

### TALENT LOSERS ON THE DAY

While the Holiday Element Had Sport, Tug to Spot the Winners the Knowing Ones Were Felling Dows on Sappho's Good Things—Masterful's Appearance.

The grounds of the Old Dominion Jockey Club were taxed to their utmost capacity yesterday, nearly 4,000 people being present. Although most of them were unfortunates in picking the winners, they all enjoyed the sport. Starter Cassidy handled the large fields with his usual skill, and the visitors were enabled to leave the grounds shortly before 5 o'clock.

The feature of the afternoon's racing was a mile dash, and though the field was small, the visitors had the opportunity of seeing a former stake-horse, Masterful, who made his first appearance in public after a let-up of two years, measuring strides with some well-seasoned players. The old horse was not in the best of condition, being somewhat hilly in flesh, but sound in his legs. He was very fair once, and will be hard to beat hereafter. The talent could pick but two winners on the day, and quit lower, all the books winning large amounts over the losing horses. Summary:
